

Greening Townsville

Thank you invitation

In celebration of the outstanding success of the Community component of the Greening Townsville program and your contribution, you are formally invited to join myself and the Greening Townsville team at a symbolic tree planting and an early evening BBQ celebration.

To date the success of the program can be measured by:

50+ Community Greening activities completed from December 2002 – December 2004

Involvement in over 2,000 community volunteers

Planting of over 25,000 trees, shrubs and groundcovers

Giving away of over 15,000 plants at Community Greening,
Neighbourhood Fun Days and the Garden Show

The celebration will be held at:

Venue: Rossiter Park in Aitkenvale on the Ross River (Adjacent to Nathan St. Bridge),

Date: Sunday 6th February 2005, 4.00 - 5.00pm.

I look forward to celebrating success and relaunching the program for 2005!

Mayor of Townsville, Councillor Tony Mooney
